BACKGROUND

The Telangana Mineral Development Corporation Ltd (TGMDC) is nodal agency for managing sand related operations in Telangana State. TGMDC Monitors the daily sand orders and dispatches through robust IT platforms and network of department officials. At various levels of sand order, loading, dispatches and delivery, the corporation is monitoring with various interventions. TGMDC Ltd is also controls the demand and supply ration in open market to control rates to common man. TGMDC Ltd assesses the requirements from various sources and plan accordingly to cater the needs by supplying sand to the required customers. At present private agencies/transporters supplying the sand to the customers, it is sometimes causing for high rates and non-availability of sand. TGMDC Ltd has identified various challenges in existing process and decided during the transportation process by private transporters. To overcome the challenges in existing process, Corporation decided to intervene to introduction of supply of sand directly by TGMDC Ltd from the Sand Bazars in and around HMDA premises. The interested agencies need to empanel with TGMDC Ltd for transportation of sand from the identified sand Bazars in and around HMDA premises to the customers directly as per the bookings.

It will helps to availability of sand to all the customers as per demand in market. The interested agencies need to transport the sand from the sand Bazars as per the trips and route provided by TGMDC Ltd. Corporation will provide the trips as per the requirement from open market and availability of sand in sand Bazars. At any time customer can book the sand through Online and it will deliver the sand to construction site. The scope for delivery of sand in first phase it has been decided to supply HMDA area. In phase wise it will be rolled out across the state.

Objectives of EOI :

1. Empanelment of agencies for providing Transportation from identified sand Bazars to identified delivery location by TGMDC Ltd in HMDA limits.
2. The Contractor/agency need to provide no. of vehicles as per the requirement of Corporation
3. Corporation will empanel any no. of vehicles based on the demand and availability of vehicles
4. Routes and delivery location will allocate by TGMDC Ltd
5. Transportation of sand by private Transporters as per rate contract basis, this rate contract will be on range of distance (km), per Ton basis
6. Rates will be finalised by the Corporation and exploration from this EoI
7. Route allocation and cancelation is description of TGMDC Ltd
8. Based on the demand and quantity the amount will be paid to Transporters
9. All the vehicles should be equipped with GPS vehicle tracking system
10. Any deviations found in vehicle registration details, the vehicle will be blocked for further bookings.
