TGMDC/S&M/Sand/Circular/2025-26/ 1752 Date: 13-01-2026

**CIRCULAR**

<b>Sub:</b>	TGMDC - Installation of AIS-140 GPS tracking devices for all registered vehicles with TGMDC – Instructions Issued - Reg.
<b>Ref:</b>	Lr.No.2337562/IT(VTD/GPS)/2024, Dt:07.01.2026 from the Director Mines & Geology Department

\*\*\*

In order to ensure effective monitoring of sand transportation, prevent illegal movement of vehicles, and bring greater transparency and accountability in sand operations under Telangana Mineral Development Corporation (TGMDC), it has been decided to mandate installation of AIS-140 compliant GPS tracking devices for all vehicles registered with TGMDC.

Further, vide reference cited, the Director, Mines & Geology Department, Government of Telangana, has requested that AIS GPS tracking devices be installed and integrated in all registered mineral transporting vehicles required for tracking sand transportation.

Accordingly, the following instructions are hereby issued for compliance:

**1. Mandatory Installation of AIS-140 GPS Devices:**

- i. All sand carrying vehicles shall mandatorily install AIS-140 compliant GPS tracking devices.
- ii. The GPS device shall be procured only from empaneled agencies approved by the Department of Mines & Geology (List enclosed).
- iii. Vehicles without AIS-140 compliant GPS devices shall not be permitted to operate from sand reaches, stockyards, sand bazaars, or de-siltation areas.

**2. Compliance Timeline:**

- i. All existing registered vehicles that have not yet installed GPS devices shall comply with the above instructions by **within 1 month (15-02-2026)**.
- ii. New vehicle registrations with TGMDC shall be allowed only after installation and successful integration of AIS-140 GPS devices.
- iii. Vehicles which are operating with Non AIS 140 GPS devices shall upgrade to AIS-140 compliant GPS devices upon expiry of the existing annual maintenance / subscription period.

**3. Responsibility of Vehicle Owners:**

- i. Vehicle owners shall be solely responsible for maintenance, functionality, and data availability of GPS devices.

- ii. Vehicle owners will have to enter the details of the vehicle registration with DMG, GPS Device ID & GPS Agency name on the TGMDC web portal.
- iii. Any tampering, disabling, or misuse of GPS equipment and any other non-compliance will attract Penalty and blocking of the vehicle.

The instructions given in this circular must be prominently displayed at all TGMDC stockyards and Sand Bazaars, communicated to all transporters, vehicle owners, and lorry unions, and treated as a mandatory condition for sand permits.
